No exhibit will be turned away because there is not a class. Additional classes will be made if there are three or more entries of the same type. Others will be combined into miscellaneous classes and judged accordingly.

All exhibits must be clean. Soiled exhibits will not be judged. One item only constitutes an exhibit unless otherwise specified. Items previously exhibited will not be judged unless they were exhibited in a different category.

Must be present to enter exhibits.

The Tyler County Fair Association nor the chairperson assumes any responsibility for damage or loss of property. We will take as many precautions as we can to lessen the chances of damage or loss. In judging, the age of exhibit will always be considered along with the condition and the rarity, etc. of the exhibit.

The premium money in all classes will be 1st -\$3; 2nd -\$2; 3rd - \$1.

The judge's choice award will be given a ribbon only.
